سلام  
من آرمنم

از حدودا ده سال پیش مشغول به طراحی گرافیک و کار ادیت با کورل و فتوشاپ شدم به صورت خودآموز شروع به یادگیری کردم و پروژه های متعددی انجام دادم تا اینکه تصمیم گرفتم مدرک بگیرم و حرفه ای تر علاقه ام رو دنبال کنم .

From our quarries in the Middle East and around the world, we are able to offer you a diverse selection of the finest quality marbles, limestones, travertines, granites and onyx. Our presence is worldwide with the production, processing and export of our beautiful natural stone. We take pride specializing in our Pietra Grey, Gohareh and Pietra Brown Marble and Silver and Brown Travertine. Additionally, we offer a large selection of varieties, colours and textures. No matter the application, we supply various distributors, retailers, designers, builders, construction and commercial professionals in many countries across Europe, Asia, North and South America. Discover the advantages you will receive ordering direct from us.

### *Tile*

We specialize in production of select marbles and travertines, in all shapes and sizes Available polished, honed and brushed (leather); with various thicknesses available, starting at 10mm.

### *Slab*

Our factory produces a variety of stones cut in to slabs which are available in 2cm and 3cm thicknesses, polished or honed. The slabs are dried and netted on the back; filled and polished on the face.

Marble is the most popular and best selling natural stones in the world. Many architects and designers worldwide utilized marble in their projects.

The different varies, colours and textures available make marble a very attractive stone to use in design, as it has great potential to create an amazing visual effect in hotels, malls and other applications. Marble is available in polished, honed and leather finishes.
