## SHAHRZAD FATAHI

GRAPHIC DESIGNER

### Logo & Arm

Designing a good logo is not a simple task and requires a lot of involvement from the marketing team and the design agency if outsourced). It requires clear idea about the concept) and values of the brand as well as understanding of the consumer or target group as marketing call. Broad step in logo design process would be formulating concept, doing initial sketch, finalizing the logo concept, deciding the theme colors and format.
