Gained 15th rank in the university entrance exam for the master of polymer engineering.
Designed and implemented lesson plans that incorporated Physics and Mathematics
Prepared after-school tutoring for students with learning difficulties that helped improve their final test results by 40%.

Ali Jalali

ESL Teacher, Cambridge Mathematics Teacher
Istanbul

Summary

With over 4 years of successful hands-on teaching experience, I have earned a Bachelor's Degree in polymer engineering. My interest in Mathematics and English associates with in my early childhood. Being a versatile individual, I have had the opportunity to teach students who functioned below-, on-, and above grade level. Also, I have been very successful at accommodating diverse student needs by facilitating all styles of learners, offering individualized and extracurricular support, and integrating effective materials.
