## BATTERY

**NS40**

Capacity "Ah" **35** FORMULA **A** pole **L.R**

**NS60**

Capacity "Ah" **45** FORMULA **A** pole **L.R**

**L2**

Capacity "Ah" **50** FORMULA **A** pole **R**  
**55** **A** **R**  
**62** **A** **R**

**L3**

Capacity "Ah" **66** FORMULA **A.B** pole **R**  
**74** **A.B** **R**

**D26**

Capacity "Ah" **62** FORMULA **A.B** pole **R.L**  
**70** **A** **R.L**

**L3**

Capacity "Ah"	FORMULA	pole
66	A.B	R
74	A.B	R

**L5**

Capacity "Ah"	FORMULA	pole
88	A.B	R
100	A.B	R

**D31**

Capacity "Ah"	FORMULA	pole
90	A	R.L

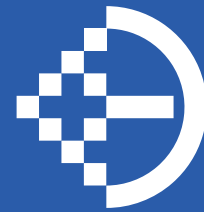

**GR31**

Capacity "Ah"	FORMULA	pole
105	A	L
115	A	L

**B**

Capacity "Ah"	FORMULA	pole
150	A.B	L
180	A.B	L
200	A.B	L

**DOURNA BATTERY**

Dourna Battery's name sparkles on the pinnacle of Battery Industry for its highest quality, durability, appeal and reliability. We are focused on consistency in quality, offering more goods to our customers and 24/7 support to attain evermore customer satisfaction.

Our shelves are loaded with such brands of our making as ARAS, POSHITA, DOURNA, NOBLE ,Aplus ready to meet the needs of the Iranian market as well as that of international markets to say nothing of our determination to persist in our drive to progress.

In order to attain this level of quality in goods and customer satisfaction, Dourna Battery has benefited the recruitment of young and skilled labor and their consistent training both in Iran and abroad, to say nothing of the consortium of the best and the most motivated engineers in its employment helping to grease the wheels of this company on to reach new heights in the industry.

An active and efficient production line, the division of quality control, working accurately and in accordance with top-notch know-how, competent and creative technical support, planning divisions and storehouse are all part to the machinery in our thrust towards progress, thus playing a noticeable role in the development of this complex.

Dourna Battery Company has a state-of-the-art and well-equipped laboratory, making it the only one in Eastern Azerbaijan Province and takes active participation along with EN and ISIRI Standard in evaluating its products as well as other companies' with great accuracy and according to national and international criteria.
