Carnila

## CARNILA BRAND

Carnila is the youngest member of mihan food industries' big and old family. The mission which Carnila company has defined for itself is the same as its ancestor's mission meaning producing Iranian original pistachios and raisin to world to have the chance of experiencing the real taste and flavour of organic pistachios.

.In other words, in industrial agriculture era Carnila returned the missing quality .taste and flavor by help of its land soil.
