OWNAWAY

The image features the word "OWNAWAY" in a highly stylized, three-dimensional font. Each letter is white with a dark, grainy interior. The edges of the letters are outlined in a vibrant, multi-colored gradient that includes shades of blue, green, yellow, orange, and pink. The letters are arranged in a slightly staggered, perspective view against a solid black background. Two white, four-pointed stars are positioned above and below the word, adding a decorative touch.
