ABOUT ME

My name is Sarvanaz, I was born in 1994 and I love illustration and graphics and I am interested in progress and more. I have a good team spirit and I like to participate in discussions of idea generation and creativity. I like being multitasking ... and I have been working in the field of graphics for 10 years ..

HITA PACKAGING DESIGN

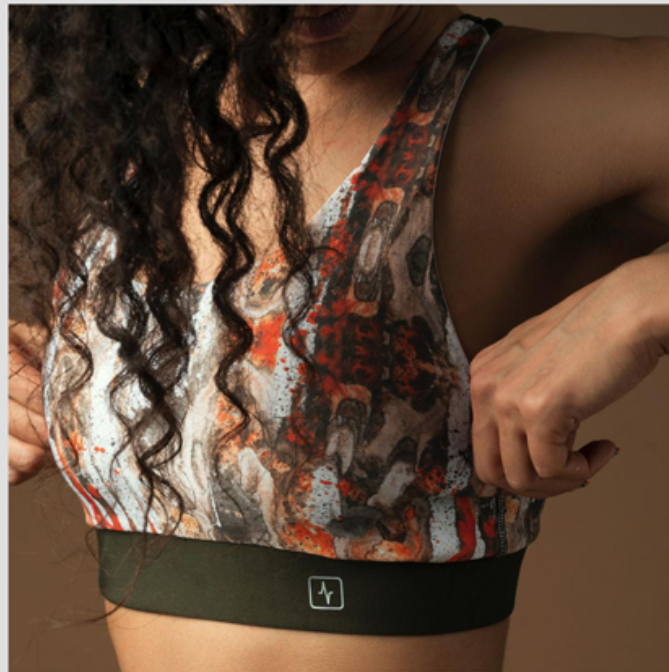

FREELANCE

MUSIC ALBUM COVER DESIGN

Shahram Nazeri's music album called HONYAGAR
Inspired by Iranian symbols

ILLUSTRATOR PHOTO
ART DIRECTOR OF THE PROJECT
PATTERN DESIGN

CITTA SERIES

Inspired by autumn nature

Inspired by nature to remind the sense of nature when practicing yoga and focus on mind and body

ACTION TO ZERO

Inspired by the story of the tree of life

Now we at Momentum have decided to use the cosmic tree as a symbol of environmental protection that our runners and cyclists are the guardians of the tree and we work for the environment and our beloved land
