About Me

About Me

My Name is Ali Pourfarahani
I have been interested in art since I was a child and I still am
I have been working in this field for seven or eight years. I am always looking to improve my skills. Increase it so that I can finally have an artistic style. For myself. I am also interested in photography. In the activities of this field I worked a lot with modeling, advertising and photography, Also conferences
But in the end I am interested in designing logos and stationery and I have a lot of skills And all the projects you see later are related to graphics
