## How to say sorry

Phrase	Context
I beg your pardon	This is a fancy phrase that you can use if you want to express shock or surprise.
I apologize	This is the simplest way to apologize for something you did wrong.
Pardon	If you didn't hear what someone said, use this to ask them to repeat it.
My bad	This one's slang and should only be used with friends or people your age. It's very casual and generally used to apologize for a minor mistake.

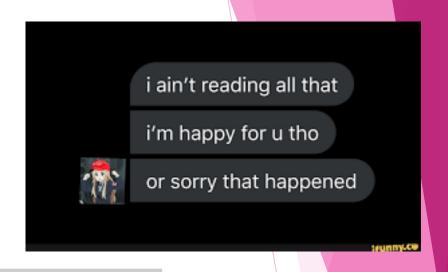

#### Examples

- 1. "How do you take your tea?" "I beg your pardon?" "Your tea, madam. How do you take it?"
- 2. Trains may be subject to delay we apologize for any inconvenience caused.
- 3. Pardon me, are you finished, madam?
- 4. "You brought the wrong book." "Okay, my bad. I'll go get it."

I'm sorry that happened to you.

Same as above; it can be used if someone lost a job or had an unpleasant experience.

My deepest sympathies. / My condolences.

Same as above.

but more formal.

# Oh no! How awful!/How terrible!

Use these exclamations to show that you're shocked at the awful thing that happened to someone.

# How to say sorry in a professional, formal or business environment

I'd like to apologize for how I reacted/behaved.

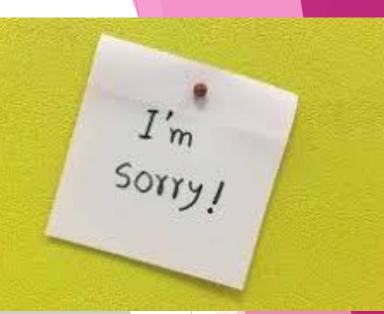

Apologize in a formal manner or for something very serious.

Sorry for the inconvenience caused.

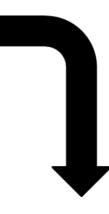

This can be used if whatever you did caused an unpleasant situation or badly impacted someone.

Alternatives to
Sorry for the
Inconvenience

### I apologize for the confusion.

If your actions somehow made someone feel confused, use this expression to apologize for it.

I wondered if "I apologize for any confusion" sounds too serious or if it's common to say when you made someone confused with what you said. Thank you.
