

**We are Roham Kian Iranian company. A committed and fair company in exporting goods from Iran to all parts of the world.**

## Our competitive advantages:

1. Our office and place of residence is in Bandar Abbas, where the main and largest port and customs office of Iran is located
2. Faster transportation of goods and shorter shipping time than our competitors: because we follow up the shipment of goods daily in person at the port and we will send a video document of our follow-up to our customers.
3. Lower cost of the goods: because we are near the port and we don't need to spend a lot of money to travel and follow up on the work.
4. Orders with your company's packaging can be done by our company with lower costs compared to your country.
5. We are ready to serve and advise our customers 24 hours a day and 7 days a week.
6. Year-round supply capacity with the requested quality you want.
7. We will archive the quality desired by our customers and in the next orders we will send a product with the same quality desired by the customer.
